

## 2020 Election Support

The AVMA Political Action Committee (AVMA PAC) is a bipartisan political action committee that was established in 1978. The PAC provides strategic financial contributions to the campaigns of members of Congress so that AVMA has more opportunities to educate lawmakers on issues affecting veterinary medicine. There is a prioritization system to enable the AVMA Federal Legislative Team and the AVMA PAC Board to effectively determine the importance of an incumbent/candidate to the veterinary profession. The criteria below are used by AVMA PAC in evaluating distributions:

- Is the incumbent/candidate or his/her family member a veterinarian?
- Is the incumbent/candidate a pro-science and pro-veterinary medicine legislator?
- Does the incumbent/candidate represent a district/state with veterinary schools?
- Does the incumbent/candidate represent a district/state with a significant number of AVMA Members, and does the incumbent/candidate have a strong relationship with AVMA Members?
- Is the incumbent/candidate on key Congressional committees which consider legislation of importance to AVMA and are supportive of AVMA positions?
